a) If yes, how did number of the technical issues compare to any problems during last year's connection?  
Which did you like better and why?

8. There are clearly two separate issues with respect to I-TV courses. One is the technology by which the course is delivered; the other is the teacher and the related instructional issues that may be new to you. Please respond to each item below as best you can with respect to your **current** impressions. Circle **5** if you strongly agree with the statement; circle **1** if you strongly disagree with a statement. Circle **4** if you agree; circle **2** if you disagree; circle **3** if you are unsure.

**Technology Issues**

- |    | <u>SA</u> | <u>A</u> | <u>U</u> | <u>D</u> | <u>SD</u> |   |
|----|-----------|----------|----------|----------|-----------|---|
| a) | 5         | 4        | 3        | 2        | 1         | I think the technology makes learning more exciting than in a traditional classroom                   |
| b) | 5         | 4        | 3        | 2        | 1         | I found the technology got in the way of learning   |
| c) | 5         | 4        | 3        | 2        | 1         | I prefer a traditional classroom over an I-TV classroom   |
| d) | 5         | 4        | 3        | 2        | 1         | I like having the opportunity to be in the same electronic classroom with students from other schools |
| e) | 5         | 4        | 3        | 2        | 1         | I have difficulty gaining the teacher's attention when I want to ask a question                       |
| f) | 5         | 4        | 3        | 2        | 1         | I am often embarrassed or reluctant to ask questions of the teacher over the network                  |

**Instructional Issues**

- |    | <u>SA</u> | <u>A</u> | <u>U</u> | <u>D</u> | <u>SD</u> |   |
