School Officials' Assurances and Signature

The student should read the following statement. As evidenced by the student's signature, the applicant understands and accepts the following:

- I understand that I am making application for enrollment in a college-level class offered in cooperation with my high school and Central Methodist University. As such, the course content, as well as the credentials of the instructor, is designed to duplicate the standards for the identical course that is taught on the campus of Central Methodist University or one of its regional centers. I understand that tuition for this course is to be paid in full.
- I further acknowledge that Central Methodist University and the course instructor will expect my approach to this class, including the out-of-class time I devote to studying for the course, to be commensurate with a satisfactorily-performing college-level student. To monitor and assess the academic rigor that is anticipated for this class, I understand that artifacts, or samples, of my coursework may be collected and reviewed by professorial staff of Central Methodist University.
- I understand that at the conclusion of the class and an assignment of a final course grade by the instructor, Central Methodist University will maintain an academic record of my enrollment and grade in the institution's academic files, and if applicable, will send a copy of the grades to the participating high school. Upon written request and the remittance of fee charges, a transcript of my enrollment and grade in the class will be provided by Central Methodist University to colleges and universities I may attend.
- I authorize Central Methodist University to release my financial and academic information to my parent or legal guardian.

I am familiar with the policy guidelines for the delivery and transferability of dual credit programs offered in Missouri high schools. Participating students must meet overall requirements and be recommended by the high school principal or the principal's designee. Further, I understand that eligibility for dual-credit courses is restricted, generally, to third-year and fourth-year high school students of junior and senior standing, who meet the requirements.
